turf on the football field and the speakers and audio equipment in Pruitt Hall Gym. These facilities need to be updated in order to recruit potential student-athletes and remain competitive. Athletics is working with Institutional Advancement to fundraise for these items.

VII. Report from the Facilities Committee

Nellie Rose McCrory Service Excellence Award Mr. Greg Jones

Dr. Tucker congratulated the recipients on their award and stated that each individual has made enormous contributions to this University and are truly invaluable.

Miscellaneous Items

Dr. Tucker announced that UWA has been ranked as the best among all colleges and universities in Alabama by a recent national listing of college and universities. This is significant because over 1,000 higher education institutions were compared nationwide and 30 key measures were used. These measures were grouped into seven categories as follows: student selectivity, cost and financing, faculty resources, campus safety, campus experience, educational outcomes, and career outcomes. UWA was first in admission rate and gender and racial diversity, r3:s 0 Td()fTj-0.Q.3(48bTd() Td(T0) 054 (B)-
